

LEGISLATIVE ASSEMBLY
ALBERTA

Rhiannon Hoyle
MLA for Edmonton-South

November 26, 2024

To Whom It May Concern,

I am writing to express support for Al Faruq Mosque and their initiative to build an Islamic school within our community. As the Member of the Legislative Assembly for Edmonton-South, I have witnessed firsthand the positive contributions Al Faruq has made to our communities, fostering a sense of unity, inclusivity, and cultural enrichment.

This proposed Islamic school represents a tremendous opportunity to provide students with an education that integrates academic excellence with core values rooted in community, compassion, and understanding.

The addition of this school would meet an important need within our constituency, offering families a choice in education that aligns with their cultural values. Moreover, it would create opportunities for collaboration with other schools and community organizations, strengthening ties between diverse groups in our area.

I fully support this initiative and encourage all stakeholders to give it their consideration. This school will greatly benefit our community and leave a lasting positive legacy for generations to come. If you require any further information or assistance, please do not hesitate to contact our office.

Sincerely,

A handwritten signature in blue ink that reads "Rhiannon Hoyle".
